

Get Recognition for Your AHRQ-Funded Study

AHRQ's Office of Communications (OC) tracks the publication of all AHRQ-funded research and assesses it for outreach potential, which can range from a press release to a mention in the Agency's Electronic Newsletter.

As soon as your AHRQ-funded research has been accepted for publication in a peer-reviewed journal, please alert OC, and the AHRQ Project Officer, by submitting the accepted manuscript (drafts are OK) and the information requested below to journalpublishing@ahrq.hhs.gov.
